

Women's Association of Duck Woods Country Club Memorial Scholarship Q & A

What is the history of the scholarship? The first WADWCC scholarship was awarded in June 2002 in memory of WADWCC member and leader Judy McCarthy whose life was taken suddenly in a tragic automobile accident. At the time, the award was designated the "Judy McCarthy Scholarship for Returning Women." In early 2008 the scholarship name was changed to WADWCC Memorial Scholarship and opened to both male and female applicants.

What is the purpose of the scholarship today? Awarded annually, the scholarship honors the memory of all deceased members, recognizes the importance of education and life-long learning, and supports the organization's commitment to support the financial needs of members of the community.

Members of DWCC and their children are not eligible for the scholarship.
